### STUDENT COUNCIL

This group, composed of the grade representatives, discusses any problems of the school.

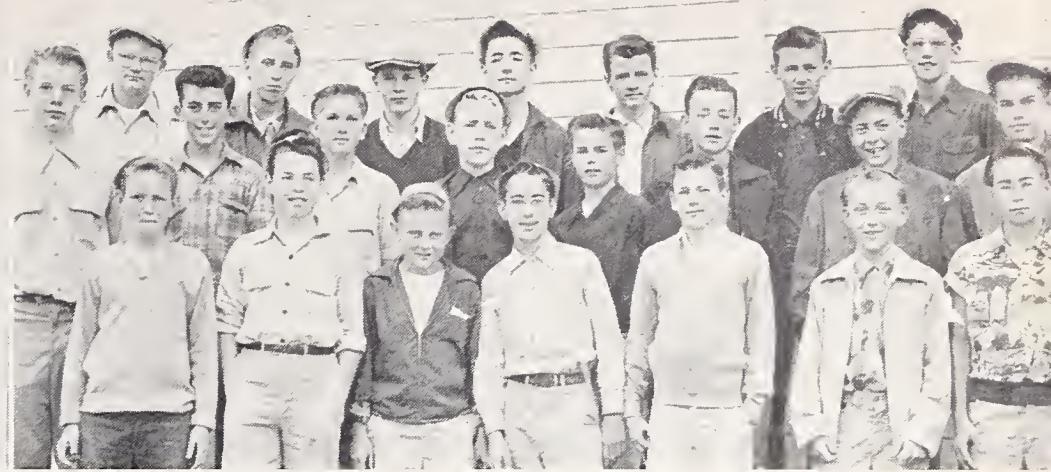

### GLEAMER STAFF

The "Gleaner" editor, assisted by Mr. Behrens, is the supervisor of the "Gleaner" staff. The "Gleaner" staff puts out our "Gleaner" each semester.

### STUDENT COURT

Offenders of the school rules have a chance to plead their cases at the student court.

### RALLY BOYS

These boys, identified by their white and orange hats, keep order in the school.

### LIBRARY HELPERS

The library helpers assist Miss Stone in checking library books.

### "GLEANER" ART STAFF

This group provides the "Gleaner" art work.

### ATTENDANCE HELPERS

These boys and girls run errands for Mrs. Bartell. They collect and sort school absence slips.

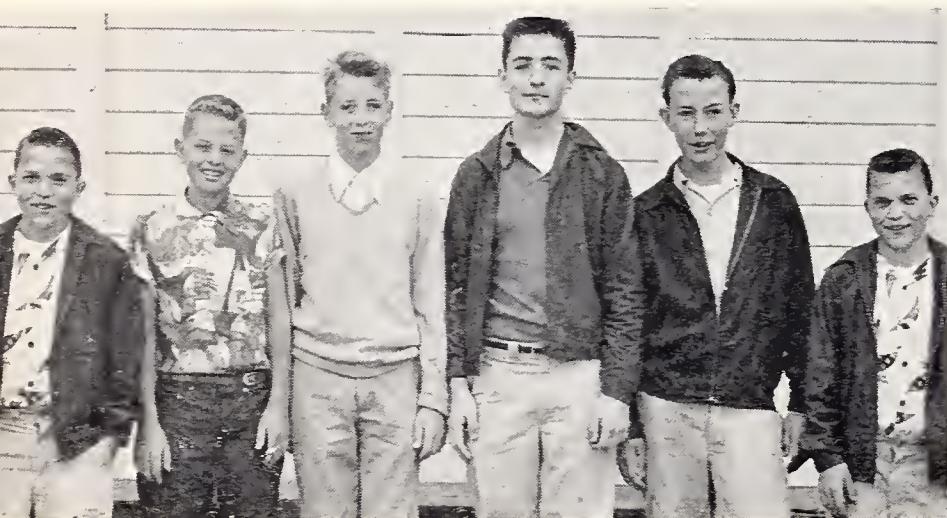

### BLOCK "G"

These boys have won their block "G's" in one or more sports.

### GYM HELPERS

The job of the gym helpers is to help the gym teachers by giving out equipment and scoring games and tests. These students give up their study periods to help us.

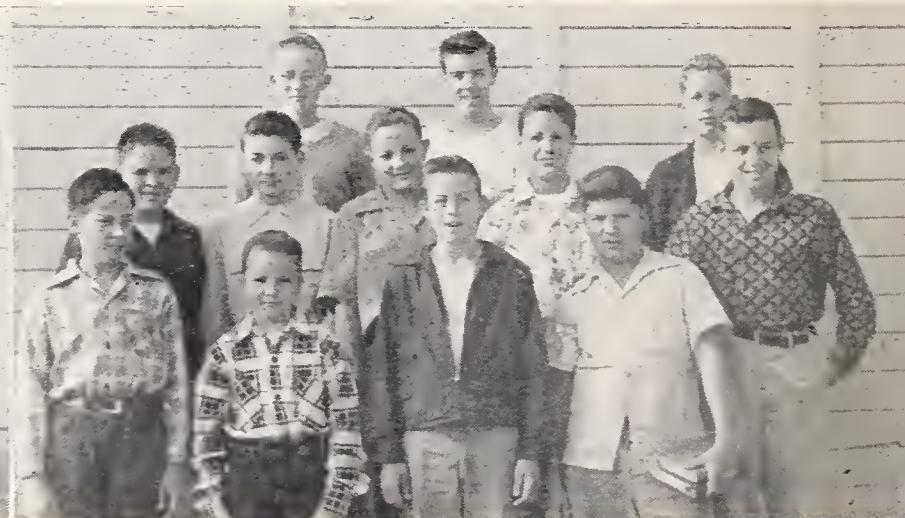

### MIMEOGRAPH CREW

These boys put out all mimeographed material such as maps and tests needed by the teachers.

### OFFICE HELPERS

The office helpers aid the counselors and Mr. Baxter by running errands.

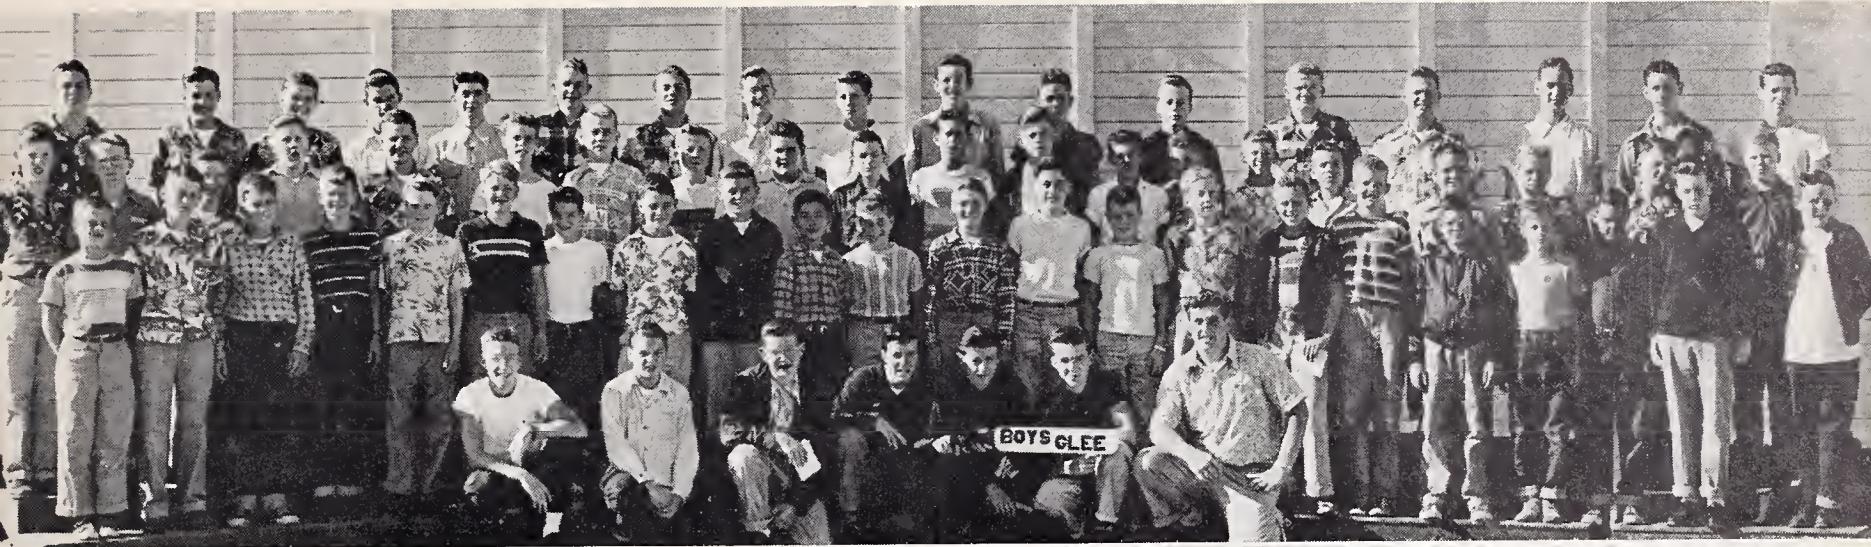

### STUDENT LEADERS

Under the direction of Mr. Hawkins, the student leaders help keep order in the halls between periods.

### PUBLIC ADDRESS BOYS

The sound and the lighting of our programs is taken care of by the P.A. boys. It is especially hard this year, because we do not have the auditorium facilities.

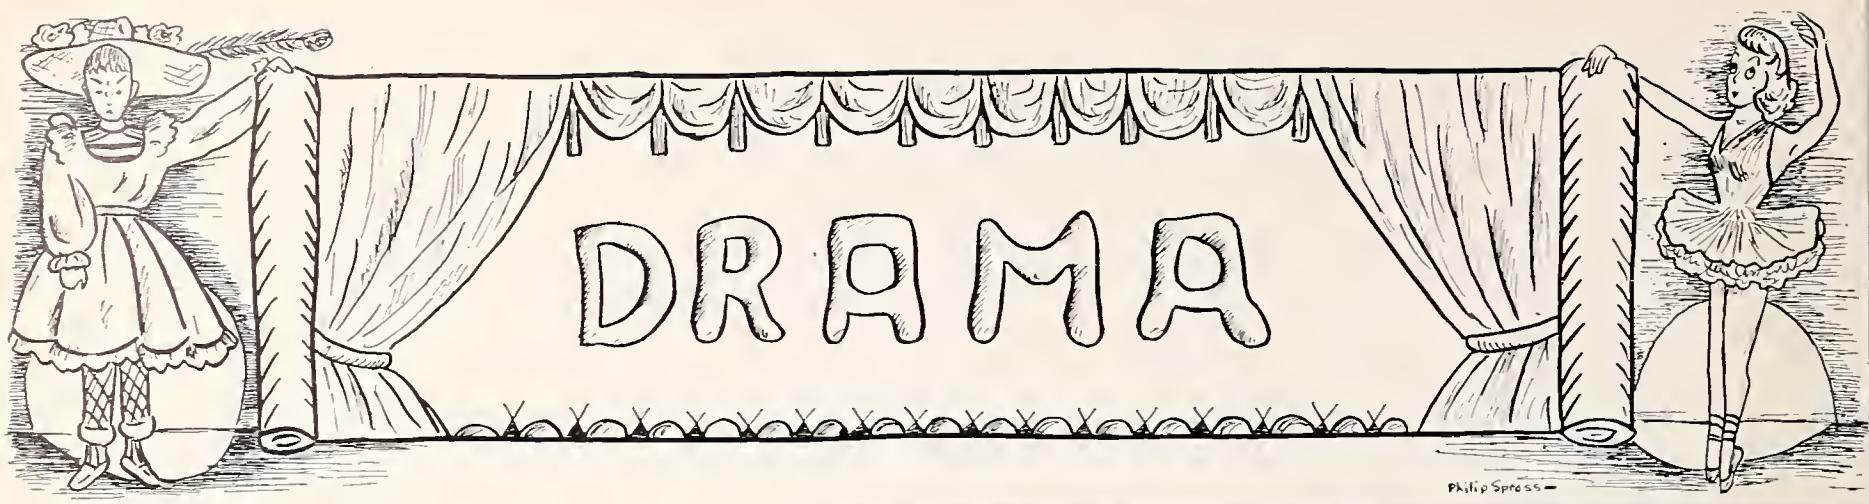

### BOYS' AND GIRLS' GLEE

The glee clubs give many enjoyable programs during the semester. These singing groups are directed by Mrs. Young and Mrs. Kressman.

### BAND AND ORCHESTRA

The Garfield Band and Orchestra play for numerous programs and activities of our school. Those in Band or Orchestra gain beneficial experience in music.

Philip Spress

## DRAMA

The various monologues, pantomimes, skits, and plays that we see during the semester are given by drama students.

**PRINCIPAL'S MESSAGE**

Graduation for our H9's this year will be held in an auditorium away from the school for the first time since Garfield was built. Not having an auditorium in which to hold programs and graduation has been inconvenient, but in spite of the difficulties involved we have had some very fine programs.

Our graduating class has entered into school activities with a great deal of enthusiasm and the accomplishments have been very satisfactory. We have generously supported the Community Chest, the P.T.A. Membership Drive, the Christmas Food Drive, and the Junior Red Cross Christmas package contributions. These drives, together with our student body card and "Gleaner" sales, have rounded out a very active semester.

I hope that the graduating class will go on to high school and enter into their activities as enthusiastically as they have at Garfield. I also wish for them much success and happiness in their new school experience.

A. C. Baxter

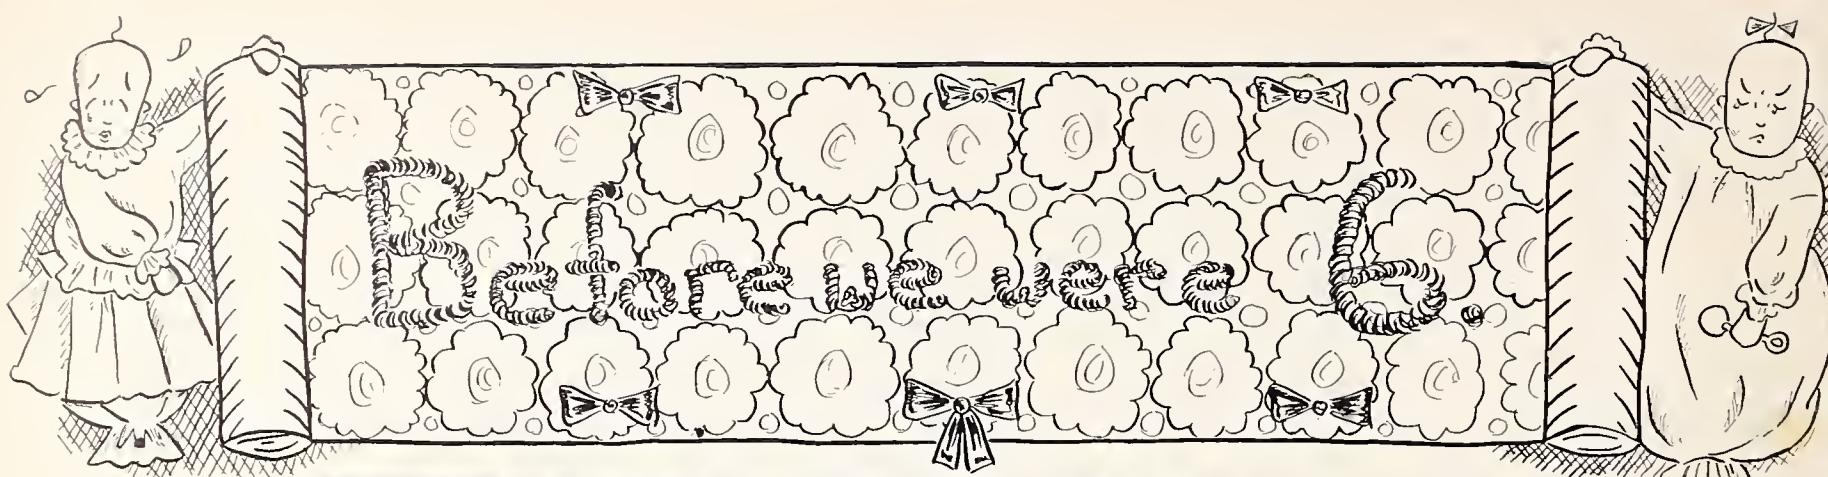

**PRESIDENT'S MESSAGE**

We, the class of Fall, 1951, have now completed our three years at Garfield and are ready to graduate.

During those three years we have made many friends and learned many things. Before we leave we should like to thank our teachers, Mr. Phillips, Mr. Baxter and all others who have helped us at this stage of our education.

Because of them we feel that we are now completely prepared for senior high school.

# SCORES OF BOYS' VOLLEYBALL GAMES

As the 1951 volleyball season came to a close, one could look back on the many exciting games that have been played. The most thrilling was the game between Low-nines of Garfield and Willard. In the first game the score see-sawed back and forth; how-

ever we finished on top, 16-14. Willard won the second contest 15-7 and we beat them in the third 15-8. The win was the main factor which gave our Low-nines a tie with Willard for the championship.

# SCORES OF GIRLS' VOLLEYBALL GAMES

The girls' volleyball teams this season have been very successful. Three out of four of the teams won the championship and the other team made a three-way tie with Willard and Burbank. The most excit-

ing games were when the H8 of Garfield played the H8 of Willard. The set was very close, but Garfield managed to win two out of three games to obtain the championship.

## **ACKNOWLEDGMENTS**

So much help has come from the members of the faculty in preparing this issue of the "Gleaner" that it is hard to express our deep appreciation. However, we wish to thank Mr. Behrens as supervisor, Miss Collar, who gave valuable help with the art work, Mr. Sauers for the management of the sales, and Mr. Baxter for his constant support.
